Messages

Principal & Vice Principal

On behalf of the administration and staff of North Lambton Secondary School, we would like to welcome you “between the covers” of the 2000 edition of the NLSS yearbook. Your yearbook staff has laboured long and hard to produce a quality book in the tradition of those excellent ones from the past. We are especially proud of their effort and dedication that led to this finished product. All of us will reap the rewards of their hard work through the memories that this publication will provide for years to come.

Yearbooks create “order” from a seemingly chaotic school year. In order to make sense out of the past twelve months, your yearbook staff has taken those countless pictures of your friends, acquaintances, clubs, teams and special events and carefully organized them for you in this book. We hope that what you discover here is an accurate chronicle of events of one of the best years of your life.

-K. Farquharson and L. Jared

SAC President

Well, it's been a rough and rocky year to say the least for us on the council. After a few events being cancelled, members started to lose heart and our numbers declined. Hopefully, a new year will bring an infusion of new and eager members to help us get back on track. I'd like to personally thank Erik Klassen and Adam Hawkins who have stuck with it for the year. I, only becoming president halfway through the year, after the resignation of our former president, would also like to thank those on the council who have continued to come to meetings, and have not given up. If you are interested in helping out, our meetings are every Wednesday in the S.A.C. room.

Finally, I would like to say a farewell to someone who has been incredibly important to the council for over thirty years. Mr. Shafer, you have been a mentor and a leader to a lot of students over the years and I hope that you have an enjoyable retirement.

-Adam Kristopherson

Class of 2000 President

To start off, I'd like to thank this years Class of 2000 members who made this years events so memorable, and to the students who were so enthusiastic. Without you, we wouldn't have had such success with our Halloween events, Hawaiian Semi-Formal, Star Search Variety Show and Mardi Gras Prom. I mean, we actually SOLD OUT of semi-formal tickets! We are giving the money that we made from these events to Bethany House (Girls Home) in Sarnia and to the Children's Hospital of Southwestern Hospital in memory of Laurie VanRiel. As well, our gift to the school is a new arch to use for special occasions like commencement and prom. I want to give a big shout out to my executive girls Paula, Amanda and Ophelia. You guys were awesome and I don't know what C02 would've done without you sugar mommies! We found it difficult to motivate the C02 members at times (when it came to set up and clean up), so to everyone who did help with that stuff thanks, and to Mrs. Dawkins and Mr. Perry, thanks for your endless help! Good luck Class of 01!

- Katie Schlegel

Commencement

As every year, Commencement took place on the

Friday of Thanksgiving. This way everyone who has gone off to university or college can come home to see friends and family and celebrate the holidays and graduation at the same time. Geoff Jackson of morning announcement fame was valedictorian, which came as a

surprise to all after his vigorous campaign efforts. His speech evoked fond high school memories, (oh, that lovable Screech), and gave us the key to life through road analogies. Former vice-principle Mr. Hart was given a warm welcome as the guest speaker. Thanks to the Class of 2000 for the organization of the event and congratulations to the last class of the 20th century! Words of advice to future graduates: those hats and gowns may look distinguished but they don't rate high on the comfortable chart.

This Way Comes

This year SAC and Class of 2000 planned the Halloween activities together. There was a pumpkin carving homeroom challenge in which all the entries were displayed at the dance. There was also a haunted house and the highlight of lunch time was the Scari-O's eating contest. The champion of the teachers heat was Mr. McLean and the overall winner was Kyle Hurlock. Honourable mention for Eddie Lichty who succeeded in getting the most Scari-O's on him. The dance was well attended with lots of people in costume. Sharon Jimson got "Most original" for her Miss America outfit and Kandace Gorza was "Funniest" in her pixie costume.

Music Night '99

The gym was packed as the audience was waiting patiently for the annual "Sounds of Christmas" concert to begin. As usual they were not dissatisfied. Performances included the grade nine and ten bands, jazz band, senior band, vocal connection and the vocals group. A special guest was the St. John Fisher band and Mr. Hart, former vice-principal, was invited back to emcee this holiday celebration.

Laurie
 You were not only our best friend
 You were our companion
 You made us laugh,
 When we wanted to cry.
 We will always remember the good times,
 How you could always light up a room
 with you smile,
 You were a beautiful person, always
 cheerful, honest and trustworthy.
 You had a gift a lot of us could only admire
 - unconditional love.
 You were truly and honestly the greatest
 friend anyone could ever have.
 And as our lives change we'll remember
 how we will always stay friends forever.

Remember the good memories of high school.

Keith McLean

What an interesting experience high school has been. Thanks to all the people who I've had the pleasure of jamming and worshipping with. J.F, I.T, J.W, J.M, J.C, J.G, J.W, M.T, D.B, S.C, B.W, W.R, N.T. Its been a blast.

High school has been
like a fungus to me.
You might not like it
too much, but over time
it starts to grow on you.
Even though the classes
aren't the greatest and
I'll never figure out how
grade 12 math will ever
help me, I'm still going
to miss it.

Tricia Silverman

Life is long and full of
opportunities. Grab
those that you can, and
let go of those you
can't. Letting go is a
skill of the smart, since
knowing what to let go
of is quite a choice to
make.

Paula Stott

Thinking I had plenty of
time to write a grad

one until the last
minute. So, because of
this, I don't have
anything clever or

guess my message to

all my friends, sorry,
sorry, sorry....

On Friday, December 10th, 1999, "Aloha Luau" took place at NLSS with more than 400 students in attendance. For the first time ever, we sold out of tickets for Semi-Formal (we broke the fire code!?!). Many eager student dressed according to the theme. Aloha Luau was a huge success as the faces on these pages will tell ya! Well done, Class of 2000 or CO2!!!

On May 3, 2000, the annual fashion show took place at NLSS. Organized by Mrs. Grimwood's Fashion Arts class with help from the Class of 2000, Quixotic Illusions proved to be a huge success for everyone! The latest styles in fashion were modelled by members of the class and the Class of 2000ers. Local Forest stores had clothing featured as well as businesses from Sarnia and London.

Due to the generosity of local merchants, many great door prizes were given during the evening show. Thanks to everyone who was involved.

On April 7, the class of 2000 brought back to us the long lost variety show that has been missing for the past two years. Some of this year's talent included several bands, dancers and a flash back to the 1970's with the Jackson Five. And who can forget The NLSS version of the WWF, where Josh Blay really did knock out the ref (Brian Maxfield)! First prize went to Jessica-Lynn Henry, accompanied by Brian Maxfield, for her incredible singing. Second went to the band "Ream", featuring Randy Orchard, Shawn Rumford and Rick Brandon and their rendition of Jimi Hendrix's "All Along the Watchtower" Third place went to Jeff Roth for his amazing guitar solo. Puffy pleads not guilty

Dressed in black with a gold chain around his neck, rapper and aspiring fashion star Sean (Puffy) Combs pleaded not guilty yesterday to charges he was in possession of two illegal guns after a Manhattan nightclub shooting in December. With former O.J. Simpson lawyer Johnnie Cochran and lawyer Benjamin Braffman at his side, the only comment the Grammy Award nominee made before Manhattan criminal court Judge Arlene Goldberg was "not guilty" in a firm voice. He left by a back door of the courthouse.

NLSS MUSIC TRIP TO

CLEVELAND

On Tuesday May 24, right after the long weekend, students from the Canadian OAC History course travelled to Niagara Falls.

The day consisted of meeting at the school at 7:00 and driving with Mr McLean and another chaper-one. It rained a little but the students still had fun at Fort George seeing a musket demonstration. Then they went to picturesque Niagara-On-The-Lake. They had lunch and looked

around at the little shops selling fudge, icecream, toys and antiques. They visited a graveyard containing the relatives of the founder of Butler's Rangers, a militia group from the War of 1812. Then the night was finished with supper at Planet Hollywood.

I would like to say a big THANK YOU to the students, staff, custodians and secretaries of North Lambton for accepting me (or putting up with my bad jokes), caring for me and helping me. It has been fun learning along with all of you. When you start school in September, I'll be in the Dominican Republic. Dios les bendiga.

Mr. Illman

Department: P.H.E.

Training: B.A., UWO.

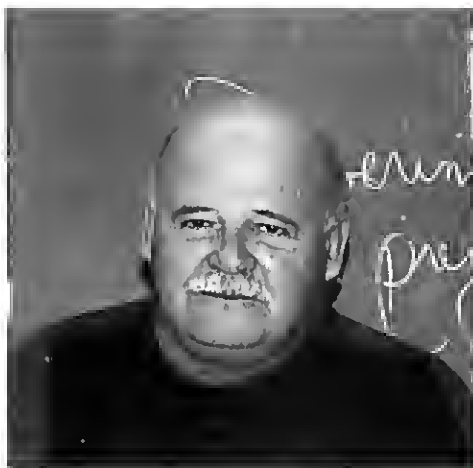

B of Ed.

Years at NLSS: 30

I began teaching at North Lambton in 1969 and am retiring from the same school this year. I consider it a privilege to have been able to teach at the same school for this length of time. Many changes have occurred over the years and with each change our staff and students were always adaptable and worked toward providing a warm, challenging school atmosphere.

I leave with fond memories of coaching individuals and teams in boys and girls volleyball, wrestling, and shot, discus and javelin. It is so rewarding to watch student athletes work hard and achieve success, from the county level to the provincial championships. A personal highlight would have to be watching the involvement and successes of my own children, Tammy and Adam, in their own athletic endeavors. I sincerely hope the rich traditions of staff - student involvement with intramurals, clubs and inter-school athletics continues. These activities provide opportunities for growth and challenge, enriching countless experiences and a lifetime of memories.

Good luck to all.

Mr. Schafer

After 33 years as a teacher at N.L.S.S I Find myself somewhat at a loss for words. I wish you a prosperous and productive future - a future that I hope will be filled with interesting times. The only advice I can impart to you is the advice that was once given to me. Learn to treat each other well, be yourselves, hone your B.S. detectors, always wear clean underwear whenever you leave home, and finally, don't let the bastards get you down.

Mr. Jenson

Department: Geography

Training: B.A. U of Guelph

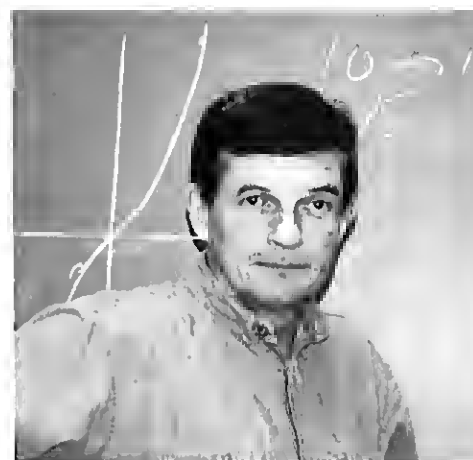

B. Ed., Queens University

Years at NLSS: 28

A career in teaching is both longer than you can imagine and shorter than you'd sometimes wish. It's the most peculiar blend of tedium and surprise, delight and disappointment, nuance and blunt abrasion -- too complex to describe accurately, too odd to characterize simply, too dynamically variegated to stand still for any sort of synoptic snapshot, too large to render rightly in the line or two allowed.

What's left after more than a quarter of a century fighting the darkness that threatens the minds of our culture's only hope for anything close to a brighter tomorrow? Well, faces, names, and voices which even now compete for inclusion in my memory's treasure box. I'll miss those lives I've hoped to touch, and I'll likely regret the increasing distance time will spin between my instructive impulses and those who promise I'll no longer be able to encounter or enrich.

Thank you for the opportunities you've given me, and best wishes to you all in your several journeys.

Over March Break, 7 students from NLSS, along with Mr. Gordon as chaperone, travelled to England and Scotland. They met up with 3 groups of students from Dundas, Arthur and Texas. They stayed in London for 3 days,

spent one in Stratford and Oxford, one in York and two in Edinburgh. They found out exactly what the terms "jet lag" and "turbulence" meant, with a total of 17 hours spent on a plane and even more spent on a coach bus. The tour guide, Claudia, and bus driver, Dave, were very nice and put up with a loud sing-along on the bus one night.

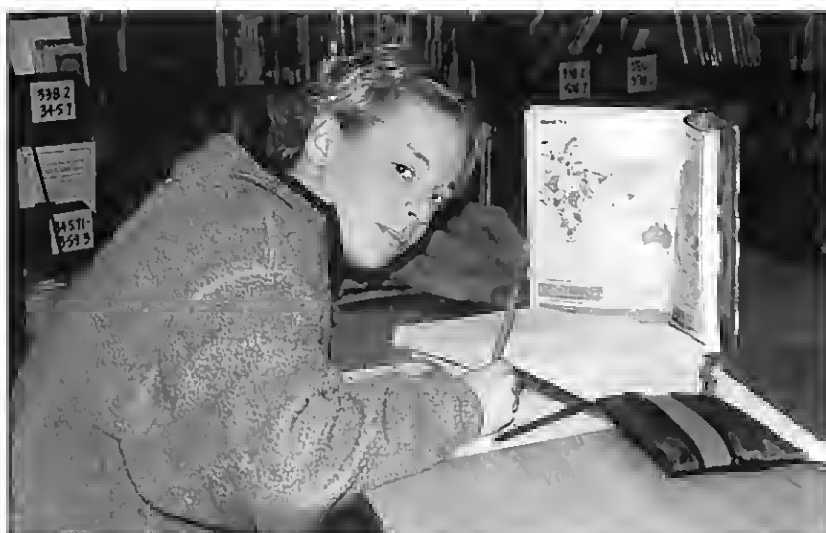

The group had brushes with greatness, with some meeting Jason Priestly, others actually speaking to Queen Elizabeth and others still, honing their shopping and pub-crawling skills.

Another successful year at N.L.S.S. is coming to an end as well as another successful year of the Athletic Association. This year we started a new fund-raiser. Someone had a great idea to hold a charity auction here at school. This auction was a huge responsibility for everyone involved, as well as very time consuming. After all the hard work was over, the night came, and our auction was a huge success. We raised more than \$5500 on over 270 items donated by local businesses.

Once the auction was finished A.A. got back to our regular schedule. We kept the intramural's going, and some new and interesting sports have come to the N.L.S.S. gym. We had our second annual Eagle Cup Ball Hockey tournament and Armageddon with great turn outs for both. New to N.L.S.S. is the Forrest Gump Classic Challenge that brought out over 50 competitors. We also had the regulars such as beach volleyball, basketball and soccer.

Our intramural's and athletic teams have shown the great amount of school spirit that N.L.S.S. has. There have been over 200 students participate in at least one intramural this year. I have enjoyed being president this past year, and I would like to thank Mrs. Johnson for all of her time and support. I would like to thank all of the members of the Athletic Association and all of you who got involved. Congratulations to all of the teams for a great year. Great work Eagles!

Backx, Ophelia Bou, Jason
Hamilton

One thing you become very familiar with as Yearbook editor is that deadlines come up faster than you expect and are gone faster than you would believe. I would like to thank my Yearbook crew: Lauren Mancel, Ophelia Bou, and the Lazy Three, Robin Backx, Dyan Kidd and Jasmine Adams.

I would also like to thank everyone else who has helped us out this year: Mrs. Leeson, Mrs. Buechler, Mr. Jensen, Mrs. Dawkins, the Office staff, the Maintenance staff, and the teachers who allowed us to interrupt their classes.

To next years editor, good luck and I hope you have as much fun as I've had.

Jason Hamilton

Mc. Happy Day

This year NLSS students had the opportunity to send the teacher with the most votes to work a shift at McDonalds in Sarnia. Well, it was a tie, so we got three of them down there. The always pleasant Mr. Hoornweg, (Twiggy), was at work behind the counter getting drinks, Mr. Shalk worked the milkshake machine and Mr. Illman (Crunch) operated the flurry machine.

Laurie

Shall I compare thee to a summer's day?
Thou art more lovely and more temperate.
Rough winds do shake the darling buds of May,
And summer's lease hath all too short a date:
Sometime too hot the eye of heaven shines,
And often is his gold complexion dimm'd;
And every fair from fair some time declines,
By chance, or nature's changing course untrimm'd;
But thy eternal summer shall not fade
Nor lose possession of that fair thou ow'st;
Nor shall Death brag thou wand'rest in his shade,
When the eternal lines to time thou grow'st.
So long as men can breathe or eyes can see,
So long lives this, and this gives life to thee.

Shakespeare Sonnet 18
